## **IN-HOME DAYCARE AND ADULT FAMILY CARE FACILITIES**

Section 19.08.050(4) of the Marysville Municipal Code states that daycare centers are permitted as an accessory use in residential zones. Section 19.32.030 MMC outlines the following requirements for Daycare I facilities:

1. There shall be no change in the outside appearance of the residence, other than one flat, unlighted sign, not exceeding six square feet, mounted flush against the building.
2. Where outdoor recreation facilities are provided for children in day care facilities, they shall be screened by a fence at least four feet high where abutting residentially-zoned property.
3. A safe passenger area shall be provided for the safe loading and unloading of children / residents. **Please provide a sketch showing how this is being accomplished.**
4. The daycare / adult family care provider shall provide written notification to immediately adjoining property owners of the intent to locate and maintain such a facility. **Please provide written documentation that this has been accomplished.**

***A current copy of your valid Washington State Daycare / Adult Family Care License is also required.***
